

Franklin Creek Conservation Association

Is hosting a

Bluebell Photography Workshop

With

Photography by Marge Dixon

Marge has owned/operated her own photography studio and art gallery for over 25 years, taught photography at Sauk Valley College and taught workshops around the country and in Ireland.

The workshop will focus on composition and lighting while exploring the beautiful bluebell fields at Franklin Creek State Natural Area. All cameras and phones are welcome to create your bluebell photos. There will be hiking to some of these areas, so come prepared with proper shoes and attire.

Where: Meet at the Grist Mill at 1893 Twist Road, Franklin Grove, IL 61031

When: May 6th, 2023 at 9:00 am thru early afternoon

Cost: \$25.00 which includes a sack lunch (guaranteed if registered before May 3rd). Limited number of participants. Fee due at time of registration. Payments can be made by sending check to above address or online payment at <https://donorbox.org/events/434477>

Call Heather at (815) 456-2718 or Marge at (815) 440-4035 for questions or more information. In case of inclement weather, workshop will be canceled and cost refunded.
