

**Liability Release for Volunteer Activities for
Franklin Creek Conservation Association**

I have volunteered to assist Franklin Creek Conservation Association, a nonprofit corporation.

I have volunteered my time and services because of my support for Franklin Creek Conservation Association and my desire to participate in furthering their work. I understand that my activities as a volunteer entail a risk of physical injury or death and that I may be exposed to hazards arising from vehicular travel over both improved and primitive roads, use of tools and equipment, and strenuous manual labor. I further understand that accidents or injuries may occur in locations or under circumstances where medical attention is not readily available. I expressly assume all risks associated with or arising from my volunteer activities. Because the assertion of claims against Franklin Creek Conservation Association for personal injury occurring during my volunteer service would be antithetical to my support of Franklin Creek Conservation Association and its goals and would reduce the ability of Franklin Creek Conservation Association to accomplish its charitable purposes, I grant this release.

I agree to abide by all the rules and regulations of Franklin Creek Conservation Association regarding safety and use of all equipment. On behalf of myself, my estate and the personal representative thereof, my heirs and assigns, I hereby forever release Franklin Creek Conservation Association, its officers, directors, employees, and agents, from any and all costs, claims, losses, liabilities or damages arising from or in any way related to, my service as a volunteer. I intend this release to be effective, regardless of whether the claim of liability is asserted in negligence, strict liability in tort, or other theory of recovery. For myself, my estate and the personal representative thereof, my heirs and assigns, I covenant and agree to make no claim, nor to institute any suit, action, or proceeding against Franklin Creek Conservation Association, its officers, directors, employees and agents, relating to any accident, incident or occurrence arising out of, or in connection with, my volunteer activities.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and volunteers with underlying medical conditions are especially vulnerable.
